

quality policy

In order to comply with its **quality policy**, **OMEGA LIGHT**, a Brazilian company located in Diadema in Greater São Paulo, operating in the Lighting Manufacturing and Marketing Segment in the domestic and foreign markets, and its employees, **make the following commitments:**

1. To meet our customers' needs and expectations with a focus on service and the provision of lighting services, **valuing relationships with commitment and proximity.**
2. To use the Quality Management System, meeting the applicable requirements, **innovating through sustainable technologies and actions** in its **products, services and processes, continuously improving.**
3. To disseminate and inspire the culture of enlightenment as a transforming agent, supporting the **professional development and organizational knowledge of our employees.**
